BEER SCORES

0 **UNDRINKABLE** – So poor you have to take it back.
Includes times when no Real Ale is available**.**

1 **VERY POOR & GOING OFF** - Not very nice tasting Beer.
Half - way down your glass you decide you can't finish it.

2 **VERY POOR** - You manage to finish the Beer but you would
Not like another, even if someone else were buying.

3 **POOR -** You are with a group of people who don't know or care
About what they are drinking and you would like to leave.
But with some sense of duty, you drink the Beer very slowly.

4 **BELOW AVERAGE** - You would not really like another pint if you had the choice, but if someone else put it in front of you,
It is just about acceptable.

5 **AVERAGE** - Competently kept and drinkable, but does not Inspire you in any way - you drink it without really noticing.

6 **ABOVE AVERAGE** - A pleasant drink and it may not be worth moving on to another pub, but if you had the time and could be bothered, you might look out for something better.

7 **GOOD** - Well worth having another.

8 **VERY GOOD** - Good beer in good form - cancel plans to move on to the next pub - you want to stay for a few more.

9 **EXCELLENT** - Probably the best Real Ale, you are likely to find.

10 **NECTAR -** The best Real Ale you have ever tasted,
Such a good score is rarely achieved.
